

Central Texas - Balcones Chapter

Monthly Round-Up

February 2013

Featured

[Join Us for 2013 State Advocacy Day!](#)

Tuesday, February 26, 2013

Austin, TX

USGBC and dozens of chapter members will spend the day meeting with state legislators and their staff to discuss, educate and promote green building policies currently on the 2013 legislative agenda. Event is free and includes morning training session, lunch and end of day reception.

[New 2013 Lunchtime Learning Series](#)

Starts Wednesday, February 13

in San Antonio, TX

Our new lunchtime learning series reflects a new approach in bringing you education you can use, providing sustainability experts who are trained instructors for a fully interactive and engaging program experience every time. Earn GBCI and AIA credits in local, live presentations offered throughout the Central Texas region monthly.

[Building Tour & Network Mixer Alamo & OCO Architects' SoFlo Office Studios](#)

Friday, February 22

San Antonio, TX

Alamo and OCO Architects open their doors for a campus tour of their LEED Silver certified SoFlo Office Studios along with a networking mixer. Event partners include Freedom Solar Power, COTE, Fretail Brewing Co. and Say-She-Ate Mobile Eclectic Fare.

[SPEER's First Annual Summit](#)

Monday & Tuesday, February 25-26

Austin, TX

USGBC Supporting Organization - Chapter Members receive \$50 registration discount!
The South-central Partnership for Energy Efficiency as a Resource (SPEER) announces its First Annual Summit, designed to explore, further develop, and prioritize policies and strategies needed to push energy efficiency forward in new buildings, existing buildings, and electric markets. One day registration opportunities, as well as hotel discounts are available to attendees.
